NATIONAL SECURITY & DEFENSE

Issued on: February 15, 2019

“

I will never waver from my sacred duty to defend this Nation and its people. We will get the job done.

President Donald J. Trump

SECURING OUR BORDER: President Donald J. Trump is following through on his promise to secure the border with legislation and Executive action.

- President Trump was elected partly on his promise to secure the Southern Border with a barrier and, since his first day in office, he has been following through on that promise.
- As the President has said, sections of the border wall are already being built, and legislation and Executive actions are building on that progress.
- Executive action being taken by the President makes available additional funding to secure our border that is essential to our national security.

LEGISLATIVE WINS: President Trump secured a number of significant legislative victories in the Homeland Security appropriations bill that further his effort to secure the Southern Border and protect our country.

- The funding bill contains robust resources and additional provisions to secure the border and strengthen immigration enforcement.
- The bill provides \$1.375 billion for approximately 55 miles of border barrier in highly dangerous and drug smuggling areas in the Rio Grande Valley, where it is desperately needed.
 - More than 40 percent of all border apprehensions occurred in the Rio Grande Valley sector in fiscal year (FY) 2018.
 - The Rio Grande Valley was the border sector with the most known deaths of illegal border crossers in FY 2018.
- \$415 million will go toward addressing the humanitarian crisis at the border by providing medical care, transportation, processing centers, and consumables.
- President Trump successfully rejected efforts by some to undercut Immigration and Customs Enforcement's (ICE) ability to uphold our laws and detain illegal aliens, including criminals.
 - ICE funding supports nearly 5,000 additional beds to detain illegal aliens and keep criminals off our streets.
- Customs and Border Protection will receive funding for 600 additional officers.
- This bill will help keep deadly drugs out of our communities by increasing drug detection at ports of entry, including opioid detection staffing, labs, and equipment.

A PROMISE TO ACT: President Trump is taking Executive action to ensure we stop the national security and humanitarian crisis at our Southern Border.

- President Trump is using his legal authority to take Executive action to secure additional resources, just as he promised. In part, he is declaring a national emergency that makes available additional troops and funding for military construction.
- Including funding in Homeland Security appropriations, the Administration has so far identified up to \$8.1 billion that will be available to build the border wall once a national emergency is declared and additional funds have been reprogrammed, including:
 - About \$601 million from the Treasury Forfeiture Fund
 - Up to \$2.5 billion under the Department of Defense funds transferred for Support for Counterdrug Activities (Title 10 United States Code, section 284)
 - Up to \$3.6 billion reallocated from Department of Defense military construction projects under the President's declaration of a national emergency (Title 10 United States Code, section 2808)
- These funding sources will be used sequentially and as needed.
- The Department of Homeland Security, Department of Defense, and the Army Corps of Engineers are working to create a prioritized list of segments and a work plan for the remainder of FY 2019 and beyond.
 - New projects could include: new levee wall, new and replacement primary pedestrian barrier, new vehicle-to-pedestrian barrier, and new secondary barrier.

NATIONAL EMERGENCY ON OUR BORDER: The President is using his clear authority to declare a national emergency as allowed under the National Emergencies Act.

- Since 1976, presidents have declared nearly 60 national emergencies.
 - Most of the previously declared national emergencies have been continually renewed and are still in effect, after being continually renewed.
- Multiple Governors have declared states of emergency along the border in the past.

- Former Arizona Governor Janet Napolitano, who became President Obama's DHS Secretary, declared a state of emergency along the border in 2005.
- Former New Mexico Governor Bill Richardson also declared a state of emergency at the border in 2005.
- Former President George W. Bush and former President Obama both directed the use of the military to assist DHS in securing and managing the Southern Border.
- Former President Bush declared a national emergency in 2001, which invoked reprogramming authority granted by Title 10 United States Code, section 2808, and both he and former President Obama used that authority a total of 18 times to fund projects between 2001 and 2014.

ADDRESSING THE CRISIS AT HAND: President Trump is taking the necessary steps to address the crisis at our Southern Border and stop crime and drugs from flooding into our Nation.

- Cartels, traffickers, and gangs, like the vile MS-13 gang, have taken advantage of our weak borders for their own gain.
- Immigration officers have made 266,000 arrests of criminal aliens in the last two fiscal years.
 - This includes aliens charged or convicted of approximately 100,000 assaults, 30,000 sex crimes, and 4,000 killings.
- Tons of deadly drugs have flooded across the border and into our communities, taking countless American lives.
 - Methamphetamine, heroin, cocaine, and fentanyl all flow across our Southern Border and destroy our communities.
 - More than 70,000 Americans died of drug overdoses in 2017 alone.
- Human traffickers exploit our borders to traffic young girls and women into our country and sell them into prostitution and slavery.

- Massive caravans of migrants view our unsecure border as a way to gain illegal entry into our country and take advantage of our nonsensical immigration loopholes.
